AMALFI COAST

This is one of the most romantic places to visit in the country, especially during the honeymoon. Rent a car and be ready to get lost in the Amalfi Coast with your partner.

POSITANO

Positano is widely regarded as the most picturesque and photogenic town in Italy, with its rustic charm and wisteria-draped hotels. The most sophisticated resort on the central Amalfi Coast is also the most expensive. Positano's enviable location allows visitors to travel by boat to nearby Capri, Ischia and the Grotta dello Smeraldo.

CAPRI

If you're struggling to decide between a relaxing honeymoon or something a bit more cultural and action-packed, then Capri offers the best of both worlds. The hotels that we work with in Capri all major in relaxation, with many having swimming pools, terraces and indulgent spas. It's also a great island for walking and cycling, with scenery that will not disappoint.
